

 April / May 2021 

In light of the Governor's expanded mandates which allows up to 50 people INSIDE the Club, the Board has decided that we will be doing BOTH Eat In and Pick Up Friday Night Reservations. Since we have more than 50 members of the Club, there may be those who want to be at the Club, but who cannot be accommodated. The first 50 people who make reservations under the EAT IN reservation will be able to be accommodated INSIDE the Club. Others who sign up on the EAT IN reservation after we have reached 50, will be put on Standby. If you are on Standby and want to be assured of a meal, you should cancel your EAT IN reservation and make a reservation for a PICK UP meal.

Please be aware that those who have volunteered to work on a particular Friday night WILL count against the 50 person limit. Those reservations will be made under Randy and David Pine to make sure that our volunteers can be accommodated.

The May Calendar is included without details as to whether meals will be Eat In or Pick Up or both. We will have to await PYC Board Direction based on our trial run during April and the Governor's mandates.

The Sign Up Board to help with Friday Night Meals for MAY will be posted at the April 9 Friday Night Meal. Please help Make May Happen. Volunteer!
